TERMS AND CONDITIONS

CHECK LIST FOR CASES

Impressions, bite registration, models and lab slip fully completed place both in the box seal box securely . Attach mailing labels on top of the sealed box include images, shades and special comments where applicable or send email to alirashada1@icloud.com Tip- its a good idea to use foam or bubble wrap around the impressions and models to prevent damage during shipping and handling. And where it say's shade taking you can delete that.

SHIPPING AND DELIVERIES

To have cases picked up at your office, please contact our lab or the delivery line during our business hours for prompt service. Artistic All Ceramic Dental Studio pays for the shipping cost going and coming back.

INVOICES AND STATEMENTS

Invoices are to be delivered at the time the case is delivered.
Monthly statements are issued at the end of each month and mailed to your office.

CREDIT POLICY

The cost for all single dental restorations must be paid in full once the case is completed.
With multiple crowns 50% can be paid in advance, the remaining 50% balance must be paid in full once the case is completed. That payment will be deducted from your visa card account or through ACH payment before the case is delivered.
